

# PATHWAY HOME

## Re-Entry Program

**TAP's Pathway Home** is an employment program that helps incarcerated individuals return to their communities, find jobs, and avoid reincarceration. Pathway Home supports participants before they are released and up to a full year following their completion of the program.

### What can this program offer?

- **Reentry Planning:** We help participants plan for when they return to the community.
- **Career Development:** We help prepare participants to find a job and make a career. We also provide job skills training for select, in-demand job fields.
- **Mentoring and Coaching:** We provide participants with advice to achieve their goals.
- **Other Support:** We can assist with the costs of job training, tools, work attire, temporary housing, transportation, communication supports, benefits coordination, obtaining IDs, and more.

### Who can apply?

**To apply for the Pathway Home program, a participant must be:**

- Currently incarcerated and sentenced in an approved correctional facility.
- Within 20 to 270 days before planned release date.
- At least 18 years of age and legal to work in the United States.
- Returning to live and work in the Greater Roanoke Valley.
- Able to show desire/resolve to work with an assigned career mentor to make a plan for gaining employment.

### How can community partners help?

- Become a second-chance employer by offering employment to our participants.
- Become a second-chance landlord by offering short- or long-term housing to our participants.
- Dual enroll our participants in your program to provide additional services or supports.
- Donate food or meal vouchers (our grant can't buy food for participants).
- Share your knowledge by speaking to groups of our participants.
- Advocate for the needs of returning citizens.

#### Approved correctional facility partners:

Roanoke City Adult  
Detention Center

Botetourt-Craig Jail

Roanoke County-Salem Jail

Western Virginia Regional Jail

All Virginia Department of  
Corrections Prisons
