PROFESSIONAL EXPERIENCE

Associate Director and Senior Program Director, Institute for Policy and Governance, Virginia Tech Polytechnic Institute and State University, Blacksburg Virginia
July 2006 – Present

- Provide strategic and operational leadership for the institute and School for Public and International Affairs.
- Consultation and collaboration with faculty and governmental and nonprofit groups to identify new programming opportunities and initiatives
- Supervise and manage technical assistance and research projects, program evaluations and feasibility studies in the areas of federal, state and local public policy implementation and program delivery.
- Author reports and memoranda on project findings and outcomes.
- Specific areas of project work include human services, Medicaid, workforce development and economic development.
- Administrative functions include personnel management, financial and contract management, public relations and project development.
- Identify and pursue scholarship opportunities linked to the institute's program and project activities, including publication in scholarly and practitioner journals, and conference presentations.

Associate Director, Institute for Policy Outreach (became the Institute for Policy and Governance as of July 1, 2006), Virginia Tech Polytechnic Institute and State University, Blacksburg Virginia
May 2005 – June 2006

- Managed major sponsored research project assessing the feasibility of local Departments of Social Services playing a greater role in Medicaid provision and administration.
- Served on the stakeholder oversight committee for other Institute projects including the Pulaski County Comprehensive Service Act project, The Virginia Department of Social Services FRUTAT and CFSR projects.
- Developed white papers and project proposals to expand the range of sponsored project undertaken by the Institute. Met with potential sponsors to discuss project concepts.
- Assisted in administrative oversight of financial reporting to sponsors and the university.
- Supported the development of strategies to better manage personnel processes and the human resources of the Institute.
- Development of scholarship opportunities related to the institute's research and technical assistance work.

Project Associate, Institute for Policy Outreach, Virginia Tech Polytechnic Institute and State University, Blacksburg Virginia
September 2004 – May 2005

- Conducted supporting research and analysis on sponsored research in the areas of child welfare.
- Co-authored reports on the results of research and analysis.
- Provided supporting research on areas of project development and scholarship connected to sponsored programs.

Coordinator, International Trade Programs, Business Assistance Center and International Trade Center, Radford University, Radford Virginia
July 2003 – September 2004

- Responsible for the coordination of outreach programs and seminars in support of international trade in Western Virginia.
- Provided information and technical support related to the regional Port of Entry and Foreign Trade Zone.
- Managed grant awards and funded outreach.
- Offered individual consultation and assistance related to international business needs.
- Created links between Radford faculty research, resources and expertise to the business community and public sector.

Graduate Research Assistant, Center for Public Administration and Policy, Institute for Policy Outreach, Virginia Tech Polytechnic Institute and State University, Blacksburg Virginia
August 2001 – July 2003

- Employed as a research assistant with Virginia Tech’s Institute for Policy Outreach and the Virginia Tech Transportation Institute.
- Project work related to transportation planning, citizen involvement, public sector strategic development and information technology development.

Business Consulting, Self-Employed, Washington, D.C. and Roanoke Virginia
March 1992 – August 2002
